Housing Rate Perspective/Senior Single Policy Changes	<p>Mr. Colby provided a handout for discussion regarding housing revenue. In the past Mansfield has allowed seniors to live alone in a double room for the double room rate (a \$1000 discount to seniors per semester). It is proposed to offer seniors a single room at the double room rate instead.</p> <p>The opportunity for double-as-single rooms will be offered to underclass students, including Freshmen (for retention purposes) at 1.35 times the double rate pending Council of Trustee approval.</p> <p>Room selection for returning students will be made earlier in the year allowing Admissions to promote housing to prospective freshmen much earlier than usual.</p> <p>The date of housing commitment will affect current students as they will not be permitted to wait until the last minute to request a single room assignment. In the past returning students could bump someone with fewer credits who requested a single room assignment months earlier.</p>
