

Mansfield Hose Company (Fire Dept.) and Mansfield Firemen's Ambulance Association Payments

The Mansfield Hose Company (Fire Department) and the Mansfield Firemen's Ambulance Association provide a critical service to the University. Upon the recommendation of the Vice President Finance & Administration and the President, we are requesting the Council of Trustees authorize the University to pay a total of \$4,000 to the Mansfield Hose Company (Fire Department) and \$4,000 to the Mansfield Firemen's Ambulance Association for the 2020-21 Fiscal Year. These two organizations recognize the challenges that Mansfield University is currently experiencing and have offered a one-year reduction from \$7,500 per organization to \$4,000 per organization. Payments will be processed through the Purchasing Department via properly executed purchasing documents.
